

FIRST ANNOUNCEMENT

**Natural Products: "From Plants and Co-Products to Medicaments and Bio-agriculture"
(ICNP 2018)**

08-10 November 2018

Welcome

On behalf of the organizing and scientific committees, it is our privilege to invite you to attend the **International Congress on " Natural Products: From Plants and Co-Products to Medicaments and Bio-agriculture" ICNP 2018**, which will be held in Hammamet (Tunisia) at the **Diar Medina Hotel-Hammamet-Tunisia** from **08 -10 November 2018**.

The Importance of medicinal and aromatic plants will be presented by bringing together Invited speakers, scientists, researchers and natural products and Bio-agriculture industry in the **International Congress on Natural products: From plants and Co-Products to medicaments and Bio-agriculture (ICNP 2018)**.

The objectives of ICNP 2018 are:

- Provide an international platform for the exchange and dissemination of recent scientific work in several fields related to aquatic/medicinal plants and their bio-agricultural practice.
- Provide many opportunities for participants to share their experience and develop contacts and partnerships to build common strategies.
- To demonstrate the medicinal, environmental and socio-economic importance of Aquatic/Medicinal and Aromatic Plants on regional, national, as well as on international level.

We are looking forward to welcome you in the ICNP 2018

Topics

1. Conventional and organic cultivation of aquatic and terrestrial plants for medicinal and aromatic purposes.
2. Industrialization, trade, and management of aquatic/medicinal and aromatic Plants.
3. Aquatic and medicinal plants and conservation of ethnobotanical sources.
4. Ethnopharmacology of the North Africa and the Middle East.
5. The pharmacological activities of the aquatic and medicinal plants
6. Aquatic/medicinal plants and co-products in cosmetology and skin diseases.
7. Aquatic/medicinal plants in food supplementation.
8. Exploitation of aquatic/medicinal plants and co-product in integrated pest management.
9. Chemistry of aquatic/medicinal plants and co-products.

Publication of the Accepted Abstracts

- * All of the submitted abstracts should be in English
- * All of the reviewed and accepted abstracts by the scientific committee of ICNP 2018, will be published in the **hard copy of the ICNP 2018 abstract book**.
- * The Scientific Committee reserves the right to accept on whether a contribution will be presented in oral or poster forms and the authors will be notified accordingly.
- * Upon the request of corresponding author, some selected abstracts presented in ICNP 2018, will be published as full paper in the **Phytomedicine Journal or Pharmacognosy Communications Journal**, and the selected full papers will be subjected for the publication instruction of one of these journals.

Key Note SPEAKERS

Prof. Dr. **Caroline Weckerle** / University of Zurich, Switzerland

Prof. Dr. **Ilkay Erdogan Orhan** / Gazi University, Turkey

Prof. Dr. **Matthias Lorenz**, PhytoConsult, Germany.

Prof. Dr. **Marco Leonti** , University di Cagliari, Italy.

Prof. Dr. **Rida A. Shibli**, University, Jordan.

Prof. Dr. **Taha M. Rababah**, Jordan University, Jordan

Prof. Dr. **Ian Cock**, Griffith University, Australia.

Prof. Dr. **Nazim ekerolu** / Aralik University, Turkey

Prof. Dr. **Andrea Santulli** / Dept DiTeM-Marine Biology Institute Trapani-Italy

Prof. Dr. **Concetta Messina** / Dept DiTeM-Marine Biology Institute Trapani-Italy

Prof. Dr. **Hatem Ouada** / INSTM- Tunisia

Prof. Dr. **Kabouche Zahia** / Université des frères Mentouri-Constantine-Algeria

Symposium Venue

Adresse : Rue de la Médina-Yasmine Hammamet

Tél. : (+216) 72 241 000

E-mail : reservation@medina.com.tn

Fax : (+216) 72 240 133

<http://www.medina.com.tn>

Location and Accommodation

The symposium will be held at **Hotel DIAR LEMDINA** (Yasmine Hammamet - TUNISIA). It's tucked away in the heart of the new medina of Hammamet, thus making you feel like a local resident of the town. The Diar Lemdina hotel is located in the centre of Yasmine Hammamet, one of the most modern neighbourhoods of Hammamet. This neighbourhood is home to over 25 restaurants (some of which offer live shows), a casino, more than 30 cafés and a plethora of shops (Tunisian craft, groceries, drugstores, etc.). This is the only hotel in the new medina of Hammamet. For all complementary information don't hesitate to contact the organizing committee of the symposium.

Important dates

- **The Open call for Conference: 15.04.2018**
- **The Open Call for Registration and Abstract submission: 20.05.2018**
- **The Deadline for registration and abstract submission: 15.08.2018**
